## Report:

### 1. Information about the IT-TESSIE meeting in Poitiers

- From 27 until 30 November, the second IT meeting took place in Poitiers in order to write specifications of the professional web application.

### 2. Development of the TESSIE application: state of affairs, contacts, offer...

- A meeting with an application designer took place in Poitiers with Dominique and his colleagues in order to create the TESSIE application. Dominique will receive a price offer in the coming days.
- Erik has also asked Grafica, the website developer of the new SICI website, to make a price offer for the TESSIE application as the application will be linked to the SICI website. Erik has a meeting with the company during the second week of January 2024.

### 3. Last details of the third training event in Basque Country - San Sebastian

- Rosa demonstrates the programme of the training event and checks the names of the participants.
- Participants who haven't booked the hotel yet, really have to make a reservation as soon as possible.
- The multiplier event will be a hybrid event if possible. Rosa will contact the technicians of the Department after the Christmas holidays.
- Erik will contact Gordana to confirm the details of the second keynote speaker.
- All instruments will be translated in Spanish, Basque and Valencian.
- In the questionnaire, there are mainly questions about all the children. It would be better to include some questions for parents about their own child.
  - o Silke will make a few adaptations in the questionnaire in order to test it.
  - o Silke will contact the Spanish colleagues as the modifications also have to be translated in Spanish, Basque and Valencian.
- Basque Country will create a link to the questionnaire together with a letter to the parents to give some more information.

### 4. Agenda of the fourth training activity in Bulgaria

- The STESSIE training event and multiplier event will take place from 3 until 7 June 2024.
- Stela demonstrates the first draft of the programme of the training event.
  - o Names of keynote speakers would be appreciated.
- Bulgaria will send more information and a registration link for the hotel after the holidays.

## 5. Presentation 'Dissemination and communication plan'

- In the project application is written that every project partner has to develop a dissemination plan for local distribution.
- Erik demonstrates the dissemination and communication plan which is written by SICI.
- Erik will create a template for a promotion folder.
